Respondent : Sh.Ravi Parkash, Asstt. Director (Reg.)

An ATR has been filed by MO I/c (Plg/Outsource) stating therein that:-

“It is intimated that LN Hospital 51 DEOs were working up to 30.9.2016 against the vacant post of grade/IV/LDC. Thereafter hospital had moved a proposal to Secy. (H&FW) for further extension of contract of the DEOs beyond 30.9.2016. At the end of January 2017 file was received backing LNH wherein the services deptt. of GNC T of Delhi had approved to engage only 16 DEOs against the vacant post of grade IV/Dass/LDC in LNH as remaining posts have been filled by recruitment of LDCs.

GOVT. OF NATIONAL CAPITAL TERRITORY OF DELHI

Order under Para 2(B) of the PGC Resolution No F.4/14/94-AR dated 25.9.97

Accordingly, this hospital had engaged only 16 DEOs from the 51 shortlisted DEOs by M/s ICSIL after written exam conducted by the Committee duly approved by MD.

Further, hospital has moved a proposal through secy. (H&FW) to obtain the approval of F.D. for seeking one time Ex-post facto approval for extension of contract of the remaining 35 DEOs against the vacant post of UDCs, Steno and Head Clerk who had performed their services up to 13.2.2017 in anticipation that their contract will be extended for further period. The file was returned back from F.D. with the remarks that "Services department posted 35 LDC in the month of August, 2016. It is not clear why the service of these 35 DEOs were not terminated in August 2016 itself immediately after posting of LDCs. The services department provides NOC for engagement of DEOs till the posts are filled by Service department" to which the reply for the same was already sent to the Pr., Secy. (H&FW)

Now F.D. has once again returned the file with the remarks that department may approach the service deptt. for obtaining NOC for extension and the file is under submission for the same."

It is only case of the complainant. There are about 35 similar cases which are being handled by the department. In order to ensure that they get the payments, concerned files are under process and queries raised by the Services department/Finance department are being answered. The file is under process for all the concerned people and since the department is already seized with the matter, the commission has decided to close this matter.

3. Directions of PGC

In view of above, Dr. Vineet Relhan, MO I/c, (Plg./Outsource), LN Hospital is advised to follow up the matter rigorously with the concerned departments.
