1. Brief facts of the complaint

The complainant has filed a complaint stating that on 10th December, 2016, there was a panic in her family as her younger brother told her that he was not able to trace his wife Pooja (sister-in-law of the complainant). She came to know from some well wishers that Pooja was seen at "Nikunj" with some persons and she does not seem to be in good condition and conscious. She also stated that before going to "NIKUNJ" they called PCR at No. 100 to ensure safety of her sister-in-law and also stated the whole incident to police. She along with her husband, younger brother and elder brother along with police rushed to the place "NIKUNJ". Her brother Umang knocked the door. The moment her sister in law Pooja opened the door & the moment she saw Umang she got frightened and tried to close the door. However, she managed to get inside the room and saw a shirtless guy inside the room along with her sister-in-law Pooja. She further stated that she gave a written complaint to the concerned police station on 11.12.2016 but no action was taken by police as the accused persons are highly influential persons and are politically well connected. She alleged that police took 45 days to register an FIR on her complaint. She also alleged that PS Vasant Vihar did not question or arrest the alleged persons whose names are mentioned in the FIR. She has also alleged that one of the accused Jai Singh's grandson of senior police officer of Chandigarh is influencing the local police and even the investigation and other accused Sidharth is politically well connected who is using his political connections to stall or delay the matter. She has also mentioned in her complaint that even the anticipatory bail plea of one of the accused has been rejected by Hon'ble Session Court and it is clear indications that police is delaying the matter. In addition to all this, her sister-in-law Pooja (brother's wife) is trying to get registered a counter case against her and her family members. The complainant has requested for necessary action in the matter.
