4.. Directions of PGC

After the hearing was over, SI Shrawan Kumar came in PGC and filed an ATR stating that final subsequent opinion on post mortem of deceased Manju d/o Babu Lal has been obtained from BSA Hospital, Rohini. The doctor has opined that “ the death was likely to have been caused by hemorrhagic shock consequent to normal delivery i.e. post partum hemorrhage-a natural cause.” That, there is nothing adverse found in the death of deceased. As the allegations made by the complainant Babu Lal could not be substantiated.”

The Commission observed that the complainant has not been attending hearing in the Commission for the last 6-7 hearings. It appears that he is not interested in pursuing his case in PGC.

In view of the above, the Commission has decided to close the case in PGC.
