- a) Chief Engineer(WW):- **NODAL OFFICER.**
- b) SE(WW)-I will coordinate with CE(WW) along with a team consisting of EE(Civil)Plant & Dy. Director(Hort.)North, for implementation of Smart Colony project.

It has further been decided by the Competent Authority that while preparing the Road Map/Action plan for Smart Colony project, the concerned Nodal Office will broadly consider following issues:-

- 1) Zero Sewerage discharge.
- 2) Provision of Ornamental parks.
- 3) Provision of water bodies for Rain Water Harvesting.
- 4) Provision of Open Gym.
- 5) Provision of Power back-up by using solar energy.
- 6) Green House project.
- 7) Deployment of security guards/coordination with Jt. CP/DLA/ACP/SHO of the areas, other security measures like barricading, CCTV etc.
- 8) Solid waste measurement in coordination with concerned Municipal Corporation. Further stress should be laid on bio-composting segregation of waste.
- 9) Usage of treated effluent using bio-remediation, ozonation, oxidation static & floating wet lands etc.

Handwritten signature and date: 27/2/19

- 10) Usage of dual piping.
- 11) Routine Civil & Electrical maintenance etc. or others works as deemed fit by Nodal Officers.
- 12) Nodal Officer would be responsible for ensuring that requisite budget is made available by Finance wing of DJB for implementation of this project.

It has further been decided by the Competent Authority that budget for the project of **"Smart Colonies would be separated from the existing budget of STP/WTP/SPS/BPS"**.
