

GOVERNMENT OF NATIONAL CAPITAL TERRITORY OF DELHI
OFFICE OF THE COMMISSIONER OF EXCISE, ENT. & LUXURY TAX
L & N BLOCK. VIKAS BHAWAN, I.P. ESTATE, NEW DELHI

No. F.1/15/Elect/IMFL/Ex./2019/ 399-400

Dated : 05/4/19

ORDER

The Department has from time to time given instructions to stakeholders to ensure that all receipt of liquor consignments and sale thereof should be done only through scanning. However, due to non-scanning of the stock and sale, MSR (monthly stock reconciliation) gap is generated which reflects the difference between actual physical inventory at the vends and logical inventory shown in ESCIMS.

It has been directed on earlier occasions to complete the MSR exercise through complete scanning of physical stock lying at the vend in terms of all SKUs. However, it has come to notice that serious efforts have not been made by the Licensees/vends in this regard.

Therefore, it is hereby directed that all retail Licensees/vends shall complete the MSR activity for all SKUs by 30.04.2019 positively failing which the T.P. of defaulting vends will be stopped w.e.f.01.05.2019 without any further notice. Further, complete MSR activity for all SKUs shall be mandatory every month. Failure to complete the MSR activity by the end of the month shall lead to automatic stoppage of T.P. for the defaulting vend.

It is also directed to ensure that the sale through scanning should reach at least 60% by May 2019, and the target percentage shall increase by 10% in each subsequent month till July, 2019. The target thereafter shall increase by 5% each month till we achieve the sale target of 95% scanning by 31st Oct., 2019. Eventually the target shall be sale through 100% scanning by 31st March, 2020.
