Grievance No. : PGC/2013/MCD/1326/Reopen

1. Brief facts of the complaint

There have been attempts to block the drain in the past also and the matter was reported to the Deputy Commissioner (SP Zone), North DMC. Even after complaint, the unauthorized blockage has not been removed despite the fact that on 1.2.2012, the area Sanitary Inspector had come to visit the site. Due to blockage of the drain, there is stagnation of water in front of the house of the complainant.
