OFFICE ORDER

Various operators of Gramin Sewa vehicles and Maxi cab vehicles met the Commissioner of Transport on 27.11.2018 during public hearing and objected to the approval of route change for Maxi Cabs at 9102E from Nathupura to Peera Garhi.

Objections were invited on all route requests including the route for Nathupura to Peera Garhi. There was no objection received from the operator of the relevant category i.e. Maxi Cab operators and therefore, above route was recommended for change. It was however later discussed in the hearing of Commissioner of Transport on 27.11.2018 in which Spl. Commissioner (ARU & TU) was also present, that in case of objection from any person, the route requests should not be accepted to avoid dispute between the operators.

Even though none of the maxi cab operators had objected to the change of route no. 9102E from Nathupura to Peera Garhi; considering the objection of the other mode of transporters (RTVs), the approval granted for this route has been kept in abeyance and the matter will be put up for orders of STA board in next meeting.

This issues with the approval of the competent authority.
