Sub: Regarding deployment of BLOs of SDPC-07 on full time till polling day i.e., 12.05.2019.

Sir/Madam,

The polling for the Lok Sabha Election 2019 in Delhi is scheduled on 12.05.2019. The BLOs (Booth Level Officer) are an integral part of the Election process. At grass root level, they interact with local people/political parties to identify dead/shifted/duplicate voters to enable the error free Electoral Roll and further motivate the voters for participation in the electoral process.

Since the Lok Sabha Election are at the threshold, BLOs are supposed to deliver the voters slips at each household located in the periphery of the polling stations allocated to him/her. Moreover in order to increase the voting percentage, BLOs play the pivotal role in motivating the Electors to participate more and more in the electoral process.

Keeping in view of the above and to increase the voters turnout for the ensuing Lok Sabha Election in this constituency, It is requested that the teachers/officials of your Department appointed as BLOs, may be spared full time to perform the Election duty up to 12.05.2019.
