ORDER

In compliance of directions of Hon'ble Minister (WCD), a letter dated 15.10.2020 was issued to all District Officers vide which they were directed to send their daily attendance, in morning and evening through live location via WhatsApp in a group created specifically for this purpose. But some of the District Officers have shown reluctance in sending live location on the WhatsApp group.

The Secretary, DWCD has taken a serious view in the matter and also shown displeasure at the non-compliance of the directions issued by the Hon'ble Minister, DWCD.

Hence, all District Officers are directed to post their daily arrival and departure attendance through live location as well as field visits location, failing which it would be assumed that the officer is not attending to his or her duty, and further action would be initiated against the erring officers as per rules including action against insubordination. Dy. Director (Admn.), WCD shall analyse the reporting pattern & put up movement report every Friday on file based on the daily reports.
