20.	Special Fire Protection System any:	n for Protection	on of special Risk, if	NA

The fire protection systems provided in the building were randomly tested, checked and found functional at the time of inspection

Further, it is pertinent to mention here that initially FSC was issued only on fire extinguishers whereas in last inspection report door size and first aid hose reel is added, which was not required at that time as there is no addition /alteration is made since 2011 as per records of the file.

In view of the deemed compliance of the minimum standards of fire prevention and fire safety measures as required under the rules, the FSC issued vide letter no. F6/DFS/MS/EH/2014/NDZ/1226 dated 19/09/14 renewal under rule 35 of the Delhi Fire Service rules 2010 is recommended, if agreed.
