No.DJB/DOR/Sanction of water connection/2021/8876

Dated: 15-11-2021

INSTRUCTIONAL ORDER

Subject: - Sanction of water connection to every household.

It has been noticed that new water connections are not being sanctioned / regularised to applicants due to various reasons. The same has been reviewed and it has been decided:-

"As water is a basic human need and DJB is mandated to provide water connection to every household who is applying for it, therefore, it has been decided to sanction water connection to every household where DJB water services has been laid and made functional subject to the premise that the sanction of water connection does not confer any ownership or title against the property where water connection has been sanctioned."

Similarly, un-authorized water connections to any premises may also be regularized on same pattern.

For strict compliance by all concerned.

This issues with the approval of the Competent Authority.
