Sub: Arrangements for Children who are suspected and Covid-19 positive.

In order to prevent and contain spread of COVID-19 to the Children staying in Child Care Institutions, this Department has issued guidelines/advisories time to time on hand wash/sanitization practices, social distancing, awareness, cleanliness, isolation of sick child and medical consultation etc. to be followed in the Child Care Institutions.

The number of positive cases is increasing day by day, thus it has become important to make arrangements to setup separate facilities to segregate the suspected and confirmed covid positive children in order to contain spread of COVID-19 to other children residing in various CCIs.

A Committee is hereby constituted, with composition as under, to visit all Govt./NGO run institutions coming within their District to inspect and assess for establishing/making isolation facilities in their concerned districts so that the overall interest of the health of children and the supporting staff is served :

1. District Officer (Nodal Officers)
2. Chairperson/Member, Child Welfare Committee
3. District Child Protection Officers

The committee is also directed to coordinate with the District Magistrate in their concerned District and take action in this regard so that the COVID Testing Centre, COVID isolation Centre and COVID Health Centre can be designated to provide facilities of Care and Protection to all the children. The committee is directed to give report by tomorrow so that these facilities may be operationalized with immediate effect to protect health of all children.

The committee members shall maintain proper distancing, follow hand sanitization practices, not come in contact with children and carry personal protective items such as tissue paper/hand sanitizers, mask etc.

Deputy Director (CPU) will supervise and monitor the inspection carried by these committees.

This issues with prior approval of the Competent Authority.
