20.	Special Fire Protection System any:	for Protecti	on of special Risk, if	N/A

The fire protection systems provided in the building were randomly tested, checked and found functional at the time of inspection.

Further, building is comprised of ground and two upper floors and school is earlier running at ground floor and now running at ground and first floor and complied the fire safety arrangements as per circular of Director of Education dated 01.03.2011. However, as per circular fire extinguishers are the requirements, if the school is running at ground plus one story. Accordingly, If agreed, we may issue the FSC for ground and first floor.

In view of the deemed compliance of the minimum standards of fire prevention and fire safety measures as required under the circular of director of education, if approved, we may issue the FSC as per Delhi Fire Service rules 2010.
