Dear Colleague Dy. No. 1431

As you know, the Ministry of Social Justice & Empowerment being the nodal agency for Drug Demand Reduction has been working with the objective of creating awareness and educating people about the ill-effects of substance use and providing a whole range of community based services for identification, motivation, counselling, de-addiction and rehabilitation of substance users with a special emphasis on youth.

2. Nasha Mukti Bharat Abhiyaan of which you are an important stakeholder has now become a mass movement. Under NMBA, a series of activities are organised by the Ministry regularly to reduce the demand of drugs in the country by involving the youth at ~~masses~~ ^{workshops}. We would like to inform you that each year the Ministry nominates ~~an~~ ^{an} outstanding young person to represent the country in the International Youth Forum i.e. an annual event organised by the United Nations Office of Drugs & Crime (UNODC) in the broader context of the Commission on Narcotic Drugs (CND). It aims to gather young people working in the field of drug use prevention, health promotion and youth empowerment from around the world.

3. Furthermore, this allows them to exchange ideas, visions and different perspectives with participants from other countries on how to better protect the health and wellbeing of their peers and provide them with an opportunity to convey their joint message to the global level policy makers.

You are requested to nominate one exceptional young individual aged between 14 to 23 years for the Youth Forum which will be held in Vienna to the Ministry of Social Justice & Empowerment latest by 30th October 2022 to msje@nic.in with their proof of age, contact details and detailed work experience (ANNEXURE-I) in the field of substance use.

Warm Regards

Yours sincerely

Radhika
