Government of NCT of Delhi,

Sub:- Clarification of policy dated 25.7.2012 regarding reallocation and rehabilitation of Project Affected Person of urban properties.

Sir,

I am directed to inform that a reference has been received in the department seeking clarification regarding cutoff date for deciding eligibility of Project Affected Person (PAPs) for considering their eligibility under the relocation and rehabilitation policy dated 25.07.2012 made effective w.e.f September 19, 2011. This matter has been dully examined.

In this regard, I am directed to inform that since, the policy for relocation of Project Affected Person implies that once a person whose land/property is acquired is dispossessed of his property then only he can be relocated. Hence, the date of possession should be the cutoff date for deciding the eligibility under the relocation and rehabilitation Policy. This matter has also been seen by L&J Department, Government of NCT of Delhi.

Yours faithfully

(Vinay Kumar)

Addl. Secretary (L&B)
