Sub: - Regarding Issuance of fire Safety Certificate in r/o Sohan Rai Public School, at F-108 Chhattarpur Extn, New Delhi 110074.

Sir,

This has reference with outdoor diary no 7208 dated 10/03/2022, on the subject cited above. In this connection, this is to inform you that the above mentioned site was visited by the officer from Delhi Fire Service along with Sh. Jarnail Singh on 06/04/2022 and observed that the School management has constructed an additional floor at terrace level i.e. at Second Floor of the building whereas as per the earlier building profile the building was comprised of ground and one upper floors. Hence there is a material changed in the building Vis a Vis of FSC issued by this department vide letter of even no 133 dated 18/01/2019.

The management is here by advised either you may restore the earlier composition of building profile or otherwise submits application for sanction of building plans on common application form (CAF) with present floor wise occupancy, on the scales as mentioned in UBBL 2016, for further consideration in the matter.

Keeping in view of above, the application for issuance of Fire Safety Certificate is rejected. The occupancy of the building/ premise in absence of requisite fire safety certificate shall be at the risk and liability of owner/ occupier. The statutory authority may take suitable necessary action as deemed fit.

Yours faithfully,

(ATUL GARG)
DIRECTOR / DFS
