Sir,

This has reference to your letter no. nil dated 21/06/2022 on the subject cited above. In this regard, it is to inform you that the site was inspected by the officer concerned of this department on 30/07/2022 in the presence of Mrs. Shakuntla Singh and observed that earlier school was Ground + 02 upper floors but now the school building is comprised of Ground + 03 upper floors. Therefore this is a case of additional/alteration and needs to route your application through bldg. deptt. of MCD.

Hence, renewal of Fire Safety Certificate can not be considered at this stage.

Yours faithfully
