Sub: - Regarding issuance/renewal of Fire Safety Certificate in r/o Nice Foundation P School,  
46, Bhagat Enclave, Bindapur Matiala Road, Uttam Nagar, New Delhi-110059.

Sir/Madam,

This has reference to your Letter No. NFS/07/Fire/NOC/2019 dated 10.07.2019 on the subject cited above. In this connection, it is to inform you that the inspection of above said school building has been carried out by officer concerned of this department on 21.08.2019 to see the compliance of the requisite fire safety measures. Sh. Mahesh (Relative) was present at the time of inspection.

During the course of inspection it was observed that school building comprised of ground floor plus two upper floors was issued FSC by this department vide letter F.6/DFS/MS/School/2016/SZ/1130 dated 11.07.16. Now additional rooms added/constructed on second floor & tin shed on terrace room. The upper floors are served by two staircases having width 100 & 107 cms. The building is approachable to the fire fighting vehicles. The electrical wiring was seen concealed and the electric supply was passing through MCB's. The following shortcomings were observed:-

1. The upper floors are served by two staircases having width 100 & 107 cms against required two staircases of 150 cms each from ground floor to terrace.
2. Door width is 100/90 cms against required 120 cms in additional rooms on second floor.
3. First aid hose reel system provided but not functional.
4. Fire pump of 450 LPM capacity provided but not functional on auto mode.
5. Overhead water storage tank of 6000 ltrs. capacity provided against required 10000 ltrs. capacity.

You are advised to rectify the above-mentioned shortcomings for taking further action as necessary for grant of Fire Safety Certificate.

Yours Faithfully,

(ATUL GARG)
