#### Instructions: -

- 1. Terms used:
  - (a) GSTIN: Goods and Services Tax Identification Number
- 2. It is mandatory to file all your FORM GSTR-1, FORM GSTR-3B and FORM GSTR -9 for the FY 2017-18 before filing this return. The details for the period between July 2017 to March 2018 are to be provided in this statement for the financial year 2017-18. The reconciliation statement is to be filed for every GSTIN separately.
- 3. The reference to current financial year in this statement is the financial year for which the reconciliation statement is being filed for.
- 4. Part II consists of reconciliation of the annual turnover declared in the audited Annual Financial Statement with the turnover as declared in the Annual Return furnished in FORM GSTR-9 for this GSTIN. The instructions to fill this part are as follows:-

Table No.	Instructions
5A	The turnover as per the audited Annual Financial Statement shall be declared here. There may

	be cases where multiple GSTINs (State-wise) registrations exist on the same PAN. This is
	common for persons / entities with presence over multiple States. Such persons / entities, will
	have to internally derive their GSTIN wise turnover and declare the same here. This shall
	include export turnover (if any). It may be noted that reference to audited Annual Financial
	Statement includes reference to books of accounts in case of persons / entities having presence
	over multiple States.
5B	Unbilled revenue which was recorded in the books of accounts on the basis of accrual system
	of accounting in the last financial year and was carried forward to the current financial year
	shall be declared here. In other words, when GST is payable during the financial year on such
	revenue (which was recognized earlier), the value of such revenue shall be declared here.
	(For example, if rupees Ten Crores of unbilled revenue existed for the financial year 2016-17,
	and during the current financial year, GST was paid on rupees Four Crores of such revenue,
	then value of rupees Four Crores rupees shall be declared here)
5C	Value of all advances for which GST has been paid but the same has not been recognized as
	revenue in the audited Annual Financial Statement shall be declared here.
5D	Aggregate value of deemed supplies under Schedule I of the CGST/DGST Act, 2017 shall be
JD	deciared here. Any deemed supply which is already part of the turnover in the audited Annual
	Financial Statement is not required to be included here.
5E	Aggregate value of credit notes which were issued after 31st of March for any supply
JE.	1
	accounted in the current financial year but such credit notes were reflected in the annual return
- F	(GSTR-9) shall be declared here.
5F	Trade discounts which are accounted for in the audited Annual Financial Statement but on
	which GST was leviable (being not permissible) shall be declared here.
5G	Turnover included in the audited Annual Financial Statement for April 2017 to June 2017
	shall be declared here.
5H	Unbilled revenue which was recorded in the books of accounts on the basis of accrual system
	of accounting during the current financial year but GST was not payable on such revenue in
	the same financial year shall be declared here.
51	value of all advances for which GST has not been paid but the same has been recognized as
	revenue in the audited Annual Financial Statement shall be declared here.
5J	Aggregate value of credit notes which have been accounted for in the audited Annual
	Financial Statement but were not admissible under Section 34 of the DGST/CGST Act shall
	be declared here.
5K	Aggregate value of all goods supplied by SEZs to DTA units for which the DTA units have
	filed bill of entry shall be declared here.
5L	There may be cases where registered persons might have opted out of the composition scheme
	during the current financial year. Their turnover as per the audited Annual Financial Statement
	would include turnover both as composition taxpayer as well as normal taxpayer. Therefore,
	the turnover for which GST was paid under the composition scheme shall be declared here.
5M	There may be cases where the taxable value and the invoice value differ due to valuation
	principles under section 15 of the DGST/CGST Act, 2017 and rules thereunder. Therefore,
	any difference between the turnover reported in the Annual Return (GSTR 9) and turnover
	reported in the audited Annual Financial Statement due to difference in valuation of supplies
	shall be declared here.
5N	Any difference between the turnover reported in the Annual Return (GSTR9) and turnover
	reported in the audited Annual Financial Statement due to foreign exchange fluctuations shall
	be declared here.
50	Any difference between the turnover reported in the Annual Return (GSTR9) and turnover
	reported in the audited Annual Financial Statement due to reasons not listed above shall be
